Dear Dr. Schlottfeldt:

As you may know from a copy of my letter of July 16 to Dr. Menicucci, I found upon my return to New York that the \$50,000 of our appropriation for the School of Viçosa for Faculty salaries could not be modified in the way that Dr. Menicucci, you and I discussed when I was recently in Viçosa. I find instead, however, that it would be appropriate for you and Dr. Menicucci to submit a plan for the expenditure of funds from this \$50,000 over the period during which the appropriation is in force, a plan which you and he would deem to be a solid one.

I am not sure that I made it completely clear in my letter to Dr. Menicucci that upon receipt of this plan, together with a budget, we would be able to proceed immediately with the release of these funds for the School.

Very sincerely yours,

John J. McKelvey, Jr.
