No. 64-56/1'chiz

21 February, 1956.

Dear Dr. Schlottfeldt,

In answer to your letter No. 13/CSS/ZB of the 17th February, we enclose herewith forms 323 and 454 for Mr. Meacyr Maestri. As soon as these forms have been filled out in all the pertinent details and signed by all concerned, please return them to this office at your earliest convenience. We also need to receive two photographs of the candidate, of the usual passport type.

With reference to the medical examination, we leave it to your judgement to select a reliable physician. In this connection we should like to emphasize the fact that, under no conditions should the enclosed forms (406 & 468) be handed to the candidate directly. They should instead be given to the examining physician, who in turn should forward the completed forms direct to this office. All expenses in connection with these examinations will be reimbursed promptly by this office.

Sincerely yours,

Robert Briggs Watson
