Dear Dr. Schlottfeldt:

Before any more time passes I want to thank you for your kind hospitality during my recent visit to Brazil. The weekend at Viçosa was extremely interesting and as you know I was very much impressed by the caliber of your staff and by what I saw of the research and teaching program which you have underway.

As you expressed an interest in having a collection of our publications I am sending, via Impresos Aereos, a complete set of all that are still in print. If you already have some of these, you may want to pass your duplicate copies to other members of the staff.

If I can be of any further help in any way, please feel free to call on me.

Please give my regards to Mrs. Schlottfeldt.

Sincerely,

Del Myren
